****Please note – the service road will no longer be accessible between each entrance off of Lorraine Drive. To ensure the safety of all program participants and those using the park during the day the road has been split by a fence in the middle to prevent unauthorized vehicles from using the road as a cut-through. For Munchkin & Junior Players please enter the fields using the access road closest to the entrance of Rt. 441 (nearest the Lodge and baseball fields). For Senior Soccer Participants please enter the fields off of Lorraine drive nearest Sherburne Road for your easiest convenience when accessing the fields from your vehicles.****
